## Personalised Faces

Most clocks can be inscribed with names, dates, places etc. for weddings and special occasions. Add £10.00 to the clock price for this special service.

Put your requirements in the Notes box.

## House Name Plates

My house name plaques are thrown on a potters wheel. When they are still soft, they are stamped and filled with coloured clay slip.

I use a very tough semi-porcelain clay body. Finally the plaque is glazed & fired. It is guaranteed against frost damage.

The colour & finish will not deteriorate & will not require maintenance.
